Renault Accessories To Make Your **RENAULT** Uniquely Yours!

Each Renault accessory has been designed to expand your driving pleasure... for years to come.

Renault has a reputation as the manufacturer of reliable and quality built vehicles. That same reputation applies to Renault Accessories. In keeping with this tradition, only those accessories that measure up to the same high standard for Renault vehicles are approved by Renault Engineering.

Factory standards of skillful craftsmanship, exacting specifications, and precise applications are strictly adhered to, making the accessories illustrated and described in this catalog the "best matched" to the family of Renault vehicles.

Insist on Renault Factory Approved replacement parts and accessories... protect your investment.

Why settle for something less than "Factory Approved" accessories!

This brochure will help you select those Renault Accessories that best suit your personal driving needs. Each accessory listed is available from over 1300 authorized Renault Dealers.

Renault, a world leader in Automotive production since 1898, is the world's largest manufacturer of front-wheel drive vehicles.

Renault's innovative engineering and worldwide experience is now being combined with America's know-how with Alliance production by American Motors in Kenosha, Wisconsin.

Renault factory authorized parts and accessories are distributed by American Motors.

Renault Sound Proposition!

When you select one of these fine audio systems, you're receiving a unit that has been designed to meet the most demanding audio needs

AM/FM MONAURAL

Offers clear FM reception at an economical price. All transistor receivers feature pushbutton tuning, lighted dial and tone control. For Alliance only.

AM RADIO (Not Shown)

If newscasts, talk shows, business programs, weather reports and fundamental listening pleasure are all you require while in your vehicle, then the AM radio will suit you just fine. It features pushbutton tuning, plus bass and treble control.

AM/FM STEREO

Enjoy your favorite music with the extra measure of stereophonic sound. Includes AM/FM selector slide control, five pre-select pushbuttons for station tuning, stereo indicator light, plus balance and automatic frequency control.

AM/FM STEREO CASSETTE

Have the broadcast pleasure of AM and FM Stereo along with the convenience of cassette tape. System features six station pushbutton tuning mono/stereo switch, fast forward and rewind and automatic tape reverse for unhampered listening enjoyment to your favorite cassettes.

ELECTRONICALLY TUNED AM/FM STEREO WITH CASSETTE

If you are serious about sound, Renault's new all-electronic radio is your answer.

This four speaker system gives you single-button tuning that locks on stations, digital display of frequencies, and a computer memory for pre-tuned stations with a clean, crisp, rich sound.

The cassette player features a fast forward/reverse and tape saver ejection system when your radio is turned off. For Alliance only.

AM/FM STEREO CB

Combines listening enjoyment of AM or FM stereo sound with security of 40-Channel Citizens Band radio. Custom looks and styling. Available for LeCar, 18i and Fuego.

CARGO COVER (A)

Pulls neatly over cargo area to shield valuables out of sight or protect delicate items from direct sunlight. Available for Fuego only.

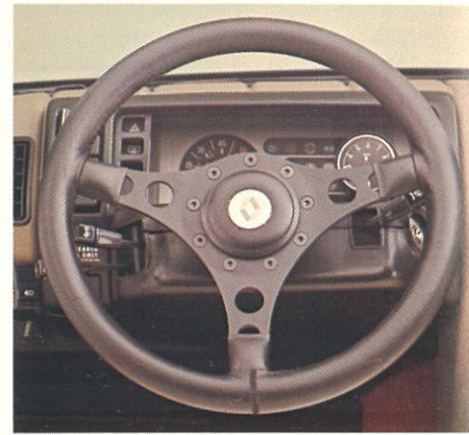

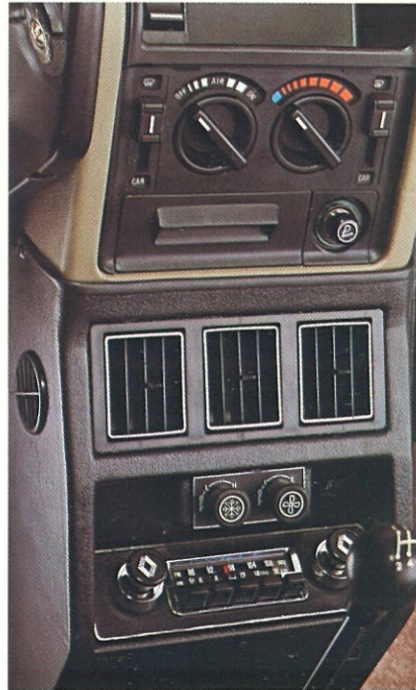

TACHOMETER (B)

Monitor engine r.p.m.'s at all times. Orange illumination for easy nighttime viewing. Mounts on dashboard. For LeCar only.

AIR CONDITIONING (C)

Adjustable climate controls for temperature and air flow keep you refreshed in the warmest temperatures. Designed to complement instrument panel and overall interior styling. Available for all Renault models. (shown on LeCar)

SPORT STEERING WHEEL (D)

Designed with competition styling. Three spoke styling wrapped in black leather provides a distinctive sports car look and feel. For LeCar only, 1981 and prior.

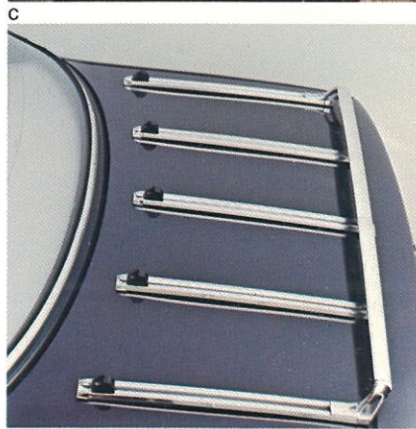

BODYSIDE MOLDINGS (E)

Tough vinyl to maintain and enhance your vehicle's good looks. Protects against parking lot hazards of minor dents, scratches, and scrapes.

DECK LID LUGGAGE RACK (F)

Smart looking, bright chrome-plated rack has durable tubular construction. Incorporates adjustable nylon tie-down loops to secure luggage. Luggage rests on surface moldings which help protect vehicle's painted surface. For 18i sedan.

OUTSIDE REMOTE CONTROL MIRROR (G)

Full four-way remote control mirror for all Alliance models permits adjustment to suit individual viewing needs.

SPLASH GUARDS (H)

Mount behind the wheels and protect against body damage due to gravel, mud, and tar. Available in sets of two for front and rear. Available for LeCar, 18i and Fuego.

EMERGENCY FIRST AID AND TOOL KIT (I)

A Black Vinyl Carrying Case that packages the items you may need in an emergency. The assortment includes a flashlight, first-aid kit, screwdriver, triangular reflectors, knife, tire gauge, gloves, fuses, tie-down cords, tape, pliers and wrench. For highway and home use.

DOOR EDGE GUARD (J)

Protects the door edges from unsightly nicks and scratches. Installation is simple and the bright metal finish adds a stylish look. Available for all models.

HAND GUARD (K)

A practical and attractive body trim addition. Protects body finish against key and fingernail scratches. Available for LeCar, 18i and Fuego.

HOOD SCOOP (L)

Increases compartment air flow while prohibiting undesirable elements from entering. Available for LeCar only.

DELUXE LUGGAGE RACK (M)

Increase vehicle carrying capacity by adding this sturdy luggage rack. Made of a bright metal finish for good looks and corrosion resistance. Designed specifically for LeCar.

UNIVERSAL ROOF RACK/CARRIER (N) (O) (P)

The Renault Universal Roof Rack will soon be available for additional cargo storage area. The basic carrier is easily adjustable to all Renault roofline with or without roofracks, providing the versatility of installing a 13 cubic foot carrier (N) or ski or bike rack (O) (P). The 10 cubic foot sports locker illustrated in O and P will satisfy the sports enthusiasts needs for carrying golfclubs, ski boots, fishing equipment and other types of gear. No need to leave anything behind. Ask your Renault Dealer for demonstration and details.

REAR WINDOW LOUVER (Q)

Reduces amount of sun entering rear seating area and air conditioning needs. Hinged for easy window cleaning. Adds a very distinctive styling touch. For LeCar. Cannot be used with rear window wiper.

VENT SHADES (R)

Available for all models, these attractive vent shades allow you to keep your windows open for fresh air even when it's raining. Also help keep vehicle cool while parked.

FOG LIGHTS (A)

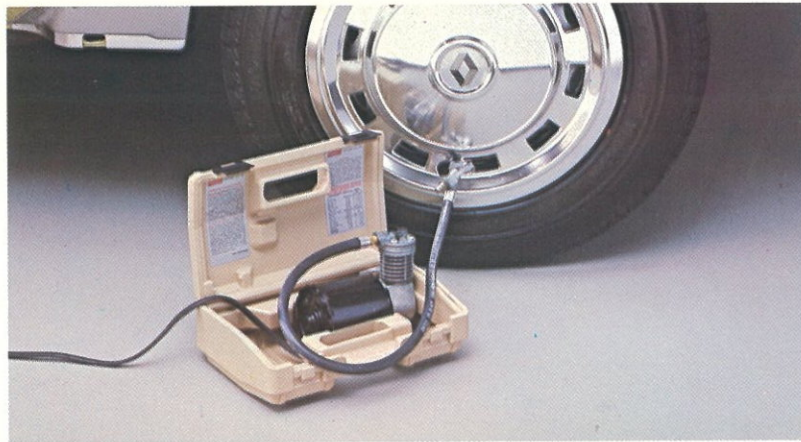

For better vision in fog, driving rain or snow, add these rectangular fog lights on your Renault. They provide excellent light penetration under the poorest of driving conditions. Protective covers included. (Consult state and local restrictions prior to the installation of any high intensity lamps.)

A

PORTABLE AIR COMPRESSOR (B)

Have the security of knowing instant air pressure is available at any time. Plugs into cigarette lighter. Also ideal for recreational inflatables.

B

E

ENGINE OIL PAN HEATER (F)

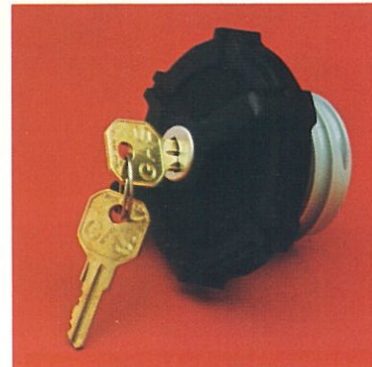

Can be plugged into any 110 volt electrical outlet to maintain a higher coolant temperature in cold climates. Reduces battery drain and engine wear by helping engine turn over quicker on cold mornings.

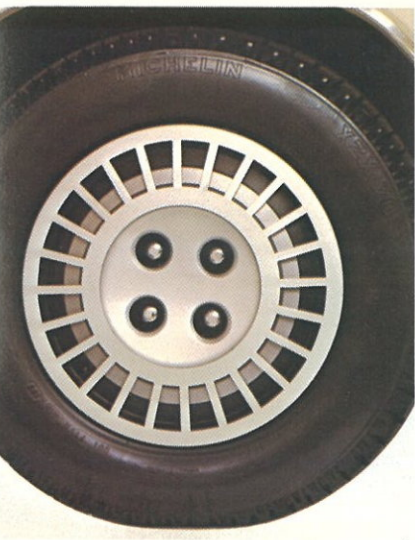

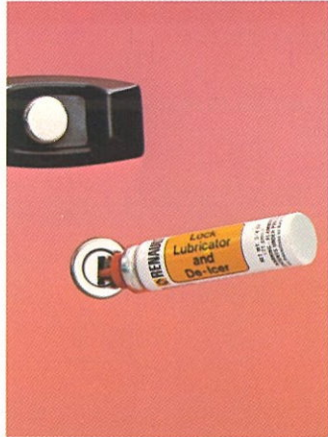

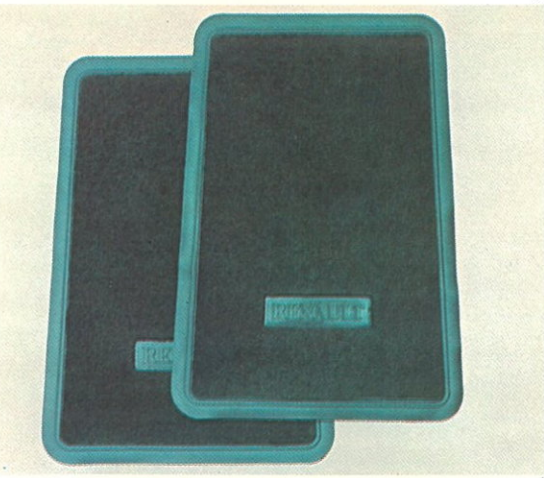

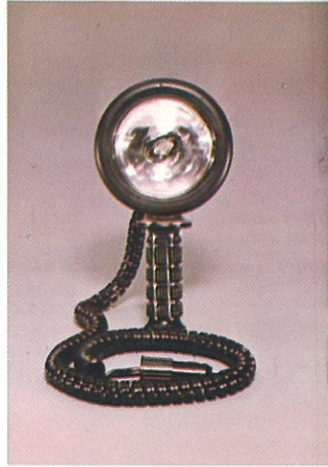

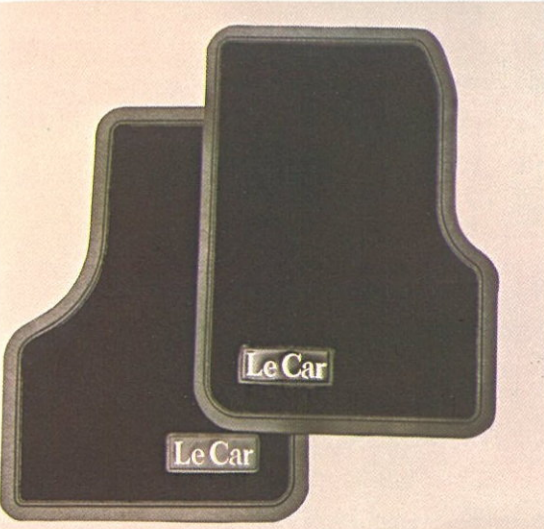

F

LOCKING GAS CAP (G)

Key-operated locking gas cap seals off your fuel tank from would-be pranksters or gas thieves. Alliance models.

G

Your Renault dealer can fill you in on details of the many factory-approved maintenance products available.

FLOOR MATS (H)

Custom fitted mats add a well-dressed look and practical protection to the LeCar interior. Available in black only, these soft, carpeted mats have "LeCar" imprinted on them.

HAND-HELD SEARCHLIGHT (I)

Plugs into the cigarette lighter for instant illumination. Includes a twelve-foot, heavy-duty cord for convenience.

FLOOR MATS (J)

Color coordinated, custom fitted mats add distinctive flair and practical protection to the interior. Available in soft, carpeted styles with Renault logo for 18i, Fuego and Alliance.

LOCK LUBRICATOR AND DE-ICER (K)

Frees up frozen locks by driving out water and leaving lubricating protection behind. Regular use in door locks keeps locks in top mechanical condition. Won't harm paintwork.

WHEEL COVERS (L)

Add a unique touch of class to your 18i with these attractive styled wheel covers. Designed for long-lasting beauty and wear.

CHROME WHEEL RINGS (not shown)

Stylish addition to existing wheel trim. High luster, corrosion-resistant finish complements the overall LeCar look.

WHEEL COVERS (M)

Bright, brushed aluminum wheel covers add a distinctive, luxurious flair. Wheel covers are corrosion resistant for long-lasting beauty.

CARE AND MAINTENANCE PRODUCTS (N)

Renault Appearance/Maintenance Chemicals and touch-up paints are designed specifically to protect and beautify your car. Our full line will help keep your car looking good and running smoothly.

Protect your investment by insisting on Factory Approved Renault Appearance and Maintenance Chemicals.
